

<b>POLICY</b>	<b>BOARD OF EDUCATION OF FREDERICK COUNTY, MARYLAND</b>	
<b>ENVIRONMENTAL AWARENESS and CONSERVATION of RESOURCES</b>	<b>SECTION 204</b>	
	<b>Adopted: 2/20/08 Reviewed: 2/20/08</b>	

It is the goal of the board that Frederick County Public School employees and students have an awareness and understanding of the effects of their actions upon the environment in which they live and work.

It is an expectation that the superintendent develop and implement procedures for a system wide program of environmental awareness with the primary focus for employees and students to reduce, reuse, recycle, and conserve resources.
