FIRE DRILLS (IN SCHOOL BUILDINGS)	SECTION 410	
	Adopted: <u>4/25/01</u> Amended: 4/26/06	

410 Fire Drills (In School Buildings)

Fire drills must be conducted each month that the facility is in operation. Two (2) drills must be held within the first thirty (30) days of the beginning of the school year to familiarize staff and students with exit procedures. Adequate records of fire drills shall be kept by the school administration and copies forwarded to the superintendent or designee.
